

12 November 2018

Dear Resident,

Auckland Transport (AT) is implementing a residential parking zone (RPZ) in your area on the 7th of December 2018.

This will provide greater parking availability and flexibility for local residents, businesses and visitors to the area.

You are receiving this letter as your home or business is within the new Arch Hill RPZ.

AT consulted with your community late last year on the proposal and received high numbers of feedback in response, with the majority in support of introducing the RPZ. AT subsequently changed the zone boundary based on the feedback received to help ensure the best outcome for the community.

You can read about the consultation on our website, www.at.govt.nz/projects-roadworks/grey-lynn-and-arch-hill-residential-parking-zones/

Residents and businesses within this zone can apply for permits and coupons that give an exemption from the two hour parking restrictions. Your permits and coupons are only valid for the Arch Hill residential parking zone.

We have included some key information in this letter, for further details about residential parking permits go to our website www.at.govt.nz/residential

Parking permits and 1-day coupons

- The annual permit fee is \$70 per vehicle
- Each residential property in the zone is eligible to receive 50 free 1-day parking coupons per year
- Eligible residents and businesses can purchase 1-day coupons at a fee of \$5 each
- All permits and coupons are digital
